“The UA Charitable Fund Trust was established to assist UA members and their families who fall victim to natural disasters and other tragedies. Since the last General Convention, the Trust has provided much-needed financial assistance to the many UA members and families who faced such tragedies. When the southeastern United States was battered by Hurricanes Maria and Harvey, when California was plagued by wildfires, and when Eastern Canada faced extreme flooding, we came together through the UA Charitable Fund Trust to provide critical support to the UA members and families affected.

“More recently, the Charitable Fund Trust was utilized to provide relief to the nearly 200 families who lost UA members to COVID-19. Those families are—and will always be—part of our family, and through the Charitable Fund Trust, we’ve been able to support them during an incredibly difficult time.

“By contributing through this fundraiser, you will be helping to ensure that we have resources to continue providing assistance to our Brothers and Sisters and their families when that assistance is needed most. Thank you in advance for your participation and generosity.”
