

Notice of Motion 2023-1

Whereas the training methods have changed considerably since the halls inception in 1981 and whereas the meeting hall has become inadequate to serve the training of 628 members as well as outside groups, 628 are engaged with

And whereas the executive and building committee have concluded there are enough funds to finance a modest addition to Local 628 to accommodate our present and future training needs.

And whereas it is in the best interest of all 628 members to maintain a modest surplus of funds for the regular day to day business of our local.

Therefore, be it resolved that in order to replenish the funds used to finance the aforementioned addition a building fund be established at a rate of 12 cents per hour ~~worked~~ ^{earned} beginning May 1st, 2024. RW

^{resolved} Therefore, be it also that once repayment is established, the fund will cease.

Therefore, be it also resolved that any net profit from renting to outside groups be used for repayment as well.
